Why SKP for DLF Apartments?

Experience

SKP's vast experience in providing Civil & Interior services at DLF Mangolias and Aralias by building interiors for over 15 apartments at Mangolias and 10 apartments at Aralias.

Processes

We understand the insights and Basic compliances of DLF and have worked alongside world renowned architects, interiors designers and consultants for a seamless delivery.

Collaborations

We provide "Free of Cost" coordination with DLF project team; and with any other outsourced vendors & suppliers on the project leading to an "End to End" loop closure.

No Boundaries

Like our work knows no boundaries so does our team work. We work with architects and vendors across the globe, in their time-zones and their processes to deliver you a finished product without any lapses.

Compatibility

Making sure that we deliver what is presented to us inch by inch. We have a wide range of experience in working across all architectural styles presented to us. A team well equipped, making sure of converting paper drawings into a reality.

A Legacy going Strong with DLF

Year after Year

DLF is extensively known for its high quality, lavish and exceptionally well constructed and designed projects.

Keeping all these qualities DLF Camellias is the new project after grand success of The Magnolias and The Aralias.

At SKP we have successfully delivered apartments in all these projects along with DLF compliance in place.

Handed Over DLF Camellias Apts.

One of the first's

We are one of the first's project management firms who have successfully handed over few units of DLF Camellia's apartments already to the happy families.

Our Portfolio

Project management is a complex process of managing diverse set of resources and get them moving with speed to deliver a flawless product within time and cost.

Our vast experience of executing luxury DLF Projects, and delivering a high-quality project in time is a cake-walk for us.
